Welcome to Methodist University Hospital

Methodist University Hospital is the largest, most comprehensive hospital in the Methodist Healthcare system. Located in the heart of the medical center in Midtown Memphis, we offer primary care services, as well as highly specialized programs in neurosciences, transplant, cancer, orthopedics, cardiology, surgery and gastroenterology. At Methodist University Hospital, we are committed to providing high quality, compassionate care to the residents of our community and to patients across the region.

Preparing for Your Visit to the Hospital

The main entrance of Methodist University Hospital is located on Eastmoreland Drive, one block south of Union Avenue. Free visitor parking is available off of Eastmoreland, directly across from the main entrance of the hospital. There is a security booth at the entrance of the lot, and our staff will be happy to escort you to your car after your visit to the hospital.

When you enter through the main doors, you will find the admissions desk. Please check in at our admissions desk as soon as you arrive. Our team will assist you with any necessary paperwork, and then guide you to the area of the hospital where your test or procedure will be performed.

Virtual Welcome Center

We invite you to take a tour of Methodist University Hospital before you arrive by visiting our Virtual Welcome Center. Our goal is for your visit to the hospital to be as smooth as possible, and we hope this online tool will help you prepare for your visit. The Virtual Welcome Center provides you with the following resources:

- Video tours of Methodist University Hospital
- Maps, directions and parking instructions
- Medical services overview
- Pre-admission instructions
- Patient & visitor information
- Phone directory
- Physician and procedure information
- Photo gallery

Visit www.methodisthealth.org and click on the **Virtual Welcome Center** at the top of the page.

Preparing for Your Visit to the Diagnostic Center

Outpatient diagnostic tests, including MRI, CT, x-ray, ultrasound, mammography and nuclear medicine may be performed at our Diagnostic Center. The outpatient Diagnostic Center is located at 1801 Union Avenue, one mile east of University Hospital. As soon as you arrive, you will be greeted by our staff of trained diagnostic imaging specialists.

Diagnostic tests may require that you do certain things to prepare for your visit. Please check with your physician for specific instructions before arriving for your appointment.
